

Kellogg Hall Festival of Trees 2020

Dear Friend,

Once again the Granby Preservation Society is hosting this year's Festival of Trees at Kellogg Hall. We hold this yearly event to raise funds for the restoration of Granby's historic 1889 Queen Ann Victorian former Town Hall, which is in need of repair. This is a family event that will feature a wide variety of decorated trees throughout this historical building for the public's viewing pleasure.

We invite you to join us by sponsoring a tree. The tree can be decorated to reflect your business, your organization or a theme that's of interest to you. This is the perfect opportunity to showcase your business, organization or individual talent. The only cost to you is your donation of an artificial tree, and your vision of decoration for that tree. Each donor will have their name, business or organization advertised throughout the event. Kellogg Hall will be opened for you to decorate on Saturday November 14th and Sunday November 15th from 10am -2 pm (if you are unable to make this date, please contact, Cedg14@gmail.com or dcgendreau@gmail.com . The Hall will be open for public viewing on the following dates; Saturday November 28th, Sunday November 29th and Saturday December 5th, Sunday December 6th.

The trees will be raffled off at the conclusion of the event with all the proceeds benefiting the Granby Preservation Society Restoration fund to restore and preserve Kellogg Hall. This year, to show our appreciation for your help, there will be a special preview for our donors on Saturday November 28th from noon-1pm.

Thank you,

Cindy Gaspari FOT Chair
